Cash Redemption Terminal

Unparalleled reliability

Creating a great gaming floor that will keep customers happy, engaged and coming back takes a lot of time and effort. A floor not only has to look good but must be functional and deliver an exceptional experience to your customers.

A CRT is an integral part of any gaming room and an important touch point for your gaming patrons.

Banktech is continually striving to deliver CRTs that not only deliver a great customer experience every time, but also enhance and complement the look of your venue.

The QuickPay CRT comes with a 27" touchscreen and sets the industry benchmark for both looks and reliability.
